ISES is very pleased to announce that the next International Solar Energy Society (ISES) Solar World Congress (SWC) 2021 will take place at the Pragati Maidan International Congress Centre in New Delhi, India from 24 – 28 October 2021.. New Delhi is the dynamic and vibrant capital city of India, one of the fastest-growing economies in the world and one with ambitious renewable energy ...

ISES Solar World Congress 2021 | ISES
Solar World Congress 2019. The International Solar Energy Society is very pleased to invite you to participate in the next International Solar Energy Society (ISES) Solar World Congress (SWC) 2019, which will take place in Santiago, Chile from November 4 to 7, 2019. The Congress will be held together with the IEA (International Energy Agency (IEA) Solar Heating and Cooling Programme (SHC) International Conference of Solar Heating and Cooling for Buildings and Industry.

Solar World Congress 2019 | ISES
The International Solar Energy Society (ISES) will be celebrating the 50th Solar World Congress (SWC50) this year, which will take place in December 2020. A series of digital celebrations will be held after this date, to mark the growth of the solar industry since the first SWC in 1970.

The 50th Solar World Congress (SWC) - Energy Transitions
ISES was founded in 1954 to advance solar energy technology development and use. Since then ISES has led the growth of solar energy from the laboratory to commercial success. ISES conferences, such as the biennial Solar World Congress and EuroSun, exemplify the spirit of international networking and exchange of ideas.

SWC2019 - Solar World Congress 2019: Publication
The ISES Solar World Congress 2011 was the world's largest scientific congress in the field of solar energy and buildings It took place from 28 August to 2 September 2011 in Kassel, Germany. Upon conclusion of the Congress, ISES issued a statement which sent a clear message to decision and policy makers around the world that renewable energy is key to climate recovery and sustainable development.

ISES Solar World Congress | ISES
www.swc50.org. Contact: swc50@ises.org. In 1970 solar research pioneers met at the first International Solar Energy Society (ISES) Conference in Melbourne Australia. ISES is commemorating this conference with a special 50th Anniversary Virtual Conference, called the Solar World Congress at 50 (SWC50). The SWC50 highlights the transformation in the global energy sector that has taken place since the first ISES Solar World Congress in 1970 and looks forward to the next 50 years when renewable ...

Special Event - SWC50 Anniversary | ISES
In 2005 World President of ISES Professor Yogi Goswami of USF in Florida, made a keynote speech at the ISES Solar World Congress in Beijing. There he predicted that most of the world ' s uranium, gas, oil and much of the world ' s coal depleted.
