Positioning The Zimbabwe Tourism Sector For Growth Issues
Ishemunyoro Chingwere. Business Reporter. The local tourism sector, which has been hamstrung by global travel restrictions imposed to stop the spread of Covid-19, is now angling for a sharp turnaround after the pandemic. Environment, Climate, Tourism and Hospitality Industry Minister Nqobizitha Mangaliso Ndlovu revealed the ambitious revival plans at the virtual opening of this years Sanganai/Hlanganani-World Tourism Expo on Thursday.

Tourism sector angles for sharp turnaround - Zimbabwe ...
Zimbabwe currently does not have a tourism sector strategy that among other things set concrete targets and provides a rallying point and trajectory for guiding the sector and unlocking its potential growth and development. It is said that, the absence of such a strategic document is a missing gap that needs to be urgently closed.

Ministry of Environment, Climate,Tourism and Hospitality ...
Zimbabwe has fully reopened its tourism sector after five months of closure due to the COVID-19 pandemic. Environment, Climate, Tourism and Hospitality Industry Minister Mangaliso Ndlovu announced the development at a press conference Thursday. He said the decision to fully reopen the sector, one of the hardest hit by the pandemic, was meant to forestall further job cuts and revenue losses in one of the countrys important sectors of the economy.

Zimbabwe fully reopens tourism sector after five-month ...
The tourism and hospitality industry in Zimbabwe is one of the significant earners of revenue in general and foreign currency in particular. Last year our tourism sector raked in at least US$1 billion in revenue which is expected to exceed US$2 billion this current year. The year 2018 saw a total of almost 3 million tourist arrivals locally.

Tourism and Hospitality Business Opportunities In Zimbabwe ...
In 2014, Zimbabwe featured among the group of sub-Saharan African countries where the tourism sector constitutes a large part of the countrys exports (see Figure 1). After a drop in the relative size of the sector to total exports in 2011 (when it accounted for only 13.5% of exports), the tourism sectors contribution increased to 20.3% by 2014, showing the growing importance of the tourism industry for the Zimbabwean economy (see Figure 2).
