### A Horse to Love: An Enchanted Stables Story by Melissa ...

Horses are one of the most popular pets in the world and it is very clear to see when an owner loves their horse, through the affection that they give them. In reverse however, it may not always be obvious what your horse really thinks of you, or if they are showing you any affection at all. What are the main pointers to look out for that indicate your horse is showing you affection, and what tendencies do they have to suggest that they love you just as much as you love them?

### Horse affection: How do they show it? | Horsemart

Horses may not love each other in the same capacity of a human loving another human. Subsequently, the love you feel for your horse may not be exactly reciprocated. But a horse can certainly feel and give affection. Like any relationship, don't rush things. Your horse has to trust you in order to let you get close.
