Internet Essentials is a starter program that provides families and other low-income households in-home Internet and more to stay connected. Xfinity Internet customers are not eligible for Internet Essentials. For full eligibility requirements, click below. Learn More.

Internet Essentials from Comcast

Restart your computer using the computer's power button. If prompted, press any key to start the computer from the system repair disc. If your computer isn't configured to start from a CD or DVD, check the information that came with your computer. You might need to change your computer's BIOS settings.
