Pull the yarn through both loops on your hook. You've now made one single crochet stitch. Step Six. Repeat. You should have one loop remaining on your crochet hook. This loop is the starting point for your next stitch. Repeat steps one-five to create even more single crochet stitches. Need to see it in action? Check out the video tutorial.

How to Single Crochet: 6 Easy Steps - Itchin' for some ...

This month, we are going to learn to crochet a different type of raised stitch - the post stitch. Post stitches are worked around posts, not in loops. Post stitches can be worked around the front or the back of the post and, like the loops, gives a different look to your work depending on whether you work around the front or back post.

Learn to Crochet Part 6 - Posts - What's Nana Making?

When learning the single crochet, I had my 10 year old make a rectangle which we then folded in half to make a pouch! Note that I added the lining (here's a tutorial if you need help!) and then I added the zipper (here's a tutorial for that as well!) but he's happy as can be with his first REAL finished project.
