~~Dream is a brand of white chocolate by Cadbury. It is no longer manufactured in the UK and Ireland, but is still produced in Australia, New Zealand, and South Africa. It is similar to a Milkybar, which Nestlé makes. Some of the difference between it and Milkybar is that "Dream" uses real cocoa butter, is slimmer than the Milkybar, and the Milkybar uses puffed rice. Cadbury also released 'Cadbury White Giant Buttons' and plan to release 'Freddo White Treasures'.~~

~~"Come for the life-changing chocolates and opinionated apothecary table, stay for the enchanting eight-year old and complicated secrets." -Amy Reichert, author of The Coincidence of Coconut Cake With an endless supply of magical gifts and recipes from the hot chocolate café Penelope Dalton runs alongside her mother, she is able to give her daughter almost everything she wants. The one sticking point is Ella's latest request: get a dad. And not just any dad. Ella has her sights set on Noah Gregory, her biological father who's back in town for a few months - and as charming as ever. Noah broke Penelope's heart years ago, but now part of her wonders if she made the right decision to keep the truth of their daughter from him. The other, more practical part, is determined to protect Ella from the same heartbreak. Now Penelope must give in to her fate or face a future of regrets. Dreaming in Chocolate by Susan Bishop Crispell is a heartwarming story of love, hot chocolate, and one little girl's wish for her mother.~~

~~Films with dream sequences, or a dreamlike quality, allow directors to create their own rules of logic and nature to meet a variety of artistic needs. For instance, an opening dream immediately establishes what a character is feeling; a later dream--or series of them--provides viewers with a glimpse of the climax, and a concluding dream ties up loose ends. (In real life, of course, dreams do not occur at such convenient times or serve such useful purposes.) This book explores why science is lost or distorted in the process of representing dreams on film and why audiences prefer this figurative truth of art over the literal truth of science. Part One discusses changes in form and considers the history of dream theory. Additionally, the physiology of sleeping and dreaming, dream structure, sleep deprivation, dreams under the influence of drugs or alcohol, and waking up, as depicted on film, are examined. Part Two investigates changes in content, and delves into the psychology of sleeping and dreaming, dream interpretation, altered states of consciousness, visions and prophecies, dreams as wish fulfillment, sex and death, nightmares, and reality versus illusion. The author uses theories by Freud, Jung, and current experts in her analyses of dream sequences and their use in film.~~

~~In this State Standards-aligned Literature Kit™, we divide the novel by chapters or sections and feature reading comprehension and vocabulary questions. In every chapter, we include Before You Read and After You Read questions. The Before You Read activities prepare students for reading by setting a purpose for reading. They stimulate background knowledge and experience, and guide students to make connections between what they know and what they will learn. The After You Read activities check students' comprehension and extend their learning. Students are asked to give thoughtful consideration of the text through creative and evaluative short-answer questions and journal prompts. Also included are writing tasks, graphic organizers, comprehension quiz, test prep, word search, and crossword to further develop students' critical thinking and writing skills, and analysis of the text. About the Novel: Who would believe that Charlie Bucket's life would take such an unusual twist? Charlie and his family are very poor and food is never in abundance. The world is on a frenzy trying to find one of the five Golden Tickets. By getting one of these tickets, the winner will visit the insides of the mysterious Mr. Wonka's Chocolate Factory. Charlie finds a dollar bill and buys himself a chocolate bar that contains the last Golden Ticket. Along with four other children, they visit the factory and meet up with the Oompa-Loompas who are the hard workers of the factory. At last, Mr. Wonka tells Charlie that he has won the whole factory and the brave and true Charlie and his family will never starve again. All of our content is aligned to your State Standards and are written to Bloom's Taxonomy.~~
