Woodland Friends Welcome Bulletin Board – Creative ...

Forestry is the poor cousin of agriculture, in planning policy — it seems to have been included as an afterthought. Whereas agriculture is clearly and sensibly defined in Section 336 of the Town and Country Planning Act 1990, there is no statutory definition of forestry anywhere in planning law — so whether you are pruning a tree, making charcoal, or teaching woodland management in a ...

A Welcome Permissiveness Within Our Forests

The Farm Woodland Forum aims to facilitate the generation and exchange of information that supports best practice in and improves opportunities for farming with trees. We are an informal group of farmers, foresters and researchers with a common interest in farming with trees in all its aspects.

Farm Woodland Forum

The plan will help them control deer populations in order to secure the regeneration of broadleaved and/or diverse conifer species. This grant is for the work required to carry out the population survey and baseline damage assessment at a landscape scale. The aim of the Deer Management Plan must be to reduce deer densities to an agreed target.
