Interiors expert Lizzie O'Prey believes that everyone should have a dream home. It's fantasy homes she objects to. Create your dream home won't help you to replicate Caesar's garage or Marie Antoinette's en suite pantry. What it will do is give you 52 brilliant ideas to make your home unique, beautiful and relaxing and a true reflection of your personality. Whether you live in a city duplex or a stately home Create your dream home has inspirational and practical ideas to help you achieve your perfect living space.

The Well of Loneliness, first published in 1928, is a timeless portrayal of lesbian love. The thinly disguised story of Hall's own life, it was banned outright upon publication and almost ruined her literary career as the subject was that of an obscenity trial and forbidden at the time in England. The novel tells the story of Stephen, an ideal child of aristocratic parents—a fencer, a horse rider and a keen scholar. Stephen grows to be a war hero, a bestselling writer and a loyal, protective lover. But Stephen is a woman, and is attracted to women. As her ambitions drive her, and society incarcerates her, Stephen is forced into desperate actions. Although Gordon's attitude toward her own sexuality is anguished, the novel presents lesbianism as natural and makes a plea for greater tolerance. It became an international bestseller, and for decades was the single most famous lesbian novel.

1. The 18th Century: Classicism and Rococo --2. Regency and After: Revival and Eclecticism --3. Early Victorian: The Workshop of the World --4. High Victorian: After the Great Exhibition --5. The Late 19th Century: Into Arts and Crafts --6. The 20th Century: Traditionalism to Modernism.

Stories by American authors deal with teenagers and their experiences with sexual awakening, emotional development, their families, social adjustment, school, religion, and the discovery of identity.
