\*A Roman Map Workbook meets the needs of today's students and introduces them to the geography of Rome and the Roman world. Veteran high school and college Latin teacher Elizabeth Heimbach provides students, especially those studying Latin, with a thorough grounding in the geography of the Roman world. The workbook walks students through each map, discussing the importance of each place-name, making connections to Roman history and literature. The carefully chosen maps complement subjects and periods covered in the Latin and ancient history classroom". Contracub.
