Autobiography - 518 pages. 5 Reviews.

Robert S. McNamara, secretary of defense for Presidents Kennedy and Johnson, helped lead America into Vietnam.

McNamara believed that the fight against communism in Asia was worth the sacrifice of American lives, and yet he eventually came to believe that the war was, in fact, unwinnable.

develop the scenes to fully portray the princess' struggle.

#1 NATIONAL BESTSELLER. The definitive insider's account of American policy making in Vietnam. "Can anyone remember a public official with the courage to confess error and explain where he and his country went wrong? This is what Robert McNamara does in this brave, honest, honorable, and altogether compelling book."—Arthur Schlesinger, Jr. Written twenty years after the end of the Vietnam War, former Secretary of Defense Robert McNamara's controversial memoir answers the lingering questions that surround this disastrous episode in American history. With unprecedented candor and drawing on a wealth of newly declassified documents, McNamara

Of Vietnam reveals the fatal misassumptions behind our involvement in Vietnam. Keenly observed and dramatically written, *In Retrospect* possesses the urgency and poignancy that mark the very best histories—and the unsparing candor that is the trademark of the greatest personal memoirs. Includes a preface written by McNamara for the paperback edition.

The Secretary of Defense for the Kennedy and Johnson administrations provides an account of how and why America became involved in Vietnam and discusses the long-term ramifications of decisions made during the 1960s. Reprint. 125,000 first printing.

Conclusion) **Dereliction Of Duty** is a stunning new analysis of how and why the United States became involved in an all-out and disastrous war in Southeast Asia. Fully and convincingly researched, based on recently released transcripts and personal accounts of crucial meetings, confrontations and decisions, it is the only book that fully re-creates what happened and why. It also pinpoints the policies and decisions that got the United States into the morass and reveals who made these decisions and the motives behind them, disproving the published theories of other historians and excuses of the participants. **Dereliction Of Duty** covers the story in strong narrative fashion, focusing on a fascinating cast of characters: President Lyndon Johnson, Robert McNamara, General Maxwell Taylor, McGeorge Bundy and other top aides who deliberately deceived the Joint Chiefs of

Staff, the U.S. Congress and the American public. Sure to generate controversy, *Dereliction Of Duty* is an explosive and authoritative new look at the controversy concerning the United States involvement in Vietnam.

Pulitzer-prize winning author David Halberstam's eyewitness account of the most critical political period of U.S. involvement in Vietnam—the Kennedy/Diem era—remains as fresh and stimulating today as when it was first published in 1965. In the introduction to this edition, historian Daniel J. Singal provides crucial background information that was unavailable when the book was written.

This is the first major biography, & only complete history, of this enigmatic man who has been a towering figure of the 20th

Read Book In Retrospect The Tragedy And Lessons

Of Vietnam. Here is the dramatic story of a brilliant but flawed leader who struggled endlessly to reconcile his Berkeley-bred social conscience with his raw drive for power. From his position as the wunderkind president of the Ford Motor Co., to his reign as secretary of defense during the Vietnam War, through his efforts as the president of the World Bank, Deborah Shapley paints an electric portrait of Robert Strange McNamara. "A definitive portrait of a symbol of the American Century." Photos.

Documents the origin of American involvement in the Vietnam War and how the policies in the Eisenhower, Kennedy, and Johnson administrations led to war.

The New York Times bestseller from the author of *Slaughterhouse-Five*—a gripping posthumous collection of Kurt

Read Book In Retrospect The Tragedy And Lessons

Vonnegut's previously unpublished work on the subject of war and peace. A fitting tribute to a literary legend and a profoundly humane humorist, *Armageddon in Retrospect* is a collection of twelve previously unpublished writings. Imbued with Vonnegut's trademark rueful humor and outraged moral sense, the pieces range from a letter written by Vonnegut to his family in 1945, informing them that he'd been taken prisoner by the Germans, to his last speech, delivered after his death by his son Mark, who provides a warmly personal introduction to the collection. Taken together, these pieces provide fresh insight into Vonnegut's enduring literary genius and reinforce his ongoing moral relevance in today's world. Includes an Introduction by Mark Vonnegut
