Entrepreneurship and small business management are the most important aspects of any economy. They both complement each other because business management cannot be successful without good entrepreneurship. In the United Kingdom micro and small businesses are considered the core of the economy and represent over 90% of the active companies.

## ~~Entrepreneurship and Small Business Management~~

Once things are going and moving in the right direction, the “ Manage It ” stage of the entrepreneur journey is where all the pieces of the business get balanced and optimized and small business management comes into play. Small business management is the process of optimizing all aspects of running a sustainable venture — including finance, marketing, product development, customer management, leadership, business planning, networking, decision-making and ongoing growth.
