When Haese Mathematics brought out their first edition of Mathematics for the International Student MYP5, we bought some copies to have a look at. Shortly after, I received an email from their marketing department asking whether I would be willing to give them my evaluation of the book, which I did. Ray O'Farrell, responsible for marketing, got ...

Mathematics for the international student - mathematical
International Baccalaureate (IB) The International Baccalaureate (IB) offers a series of programmes aimed at providing an internationally recognised qualification for students around the world. The IB Diploma Programme is aimed at students aged 16 to 19, for the final two years of high school. We have developed a series of textbooks to align with the new Diploma Programme Mathematics courses for first teaching in August 2019.
