Novara Randonee – Touring Bicycle Review Novara should be more of a recognizable name in the bicycle touring realm. Although Novara isn't really a go-to touring brand like Surly, Cannondale, and Trek, the Novara Randonee is just as well-made and durable as a touring bicycle manufactured by any of those brands.

As far as Novara goes, you will get better components on a Novara bike than any other brand of the same price point. REI doesn't need to build the cost of advertising into the price of the bike, so they're able to put the next level components on to a similarly priced bike. But if you don't mind spending a little extra scratch, go for the Ghost!
