Please Don't Tell My Parents Series by Richard Roberts

Please Don't Tell My Parents I'm a Supervillain was a great YA superhero novel. Not perfect by any stretch of the imagination but quite entertaining. The protagonists were adorable and included a character whose superpower was, literally, incredible cuteness.

"I Have A Nemesis" is the 4th book in the "Please Don't Tell My Parents" series, and the plot of this one is more tightly focused on Penelope Akk specifically than in any of the previous books. It doesn't have the aggressive pace of the first novel, although there are surprise twists and sudden reversals. There's also a subtle build of ...

And I have to say that while it was good, it didn't live up to the standard set by "Please Don't Tell My Parents I'm A Supervillian". The author made the unfortunately choice to ditch a lot of the good characters from last time in favour of a limited set of much flatter characters living in outer space, and there seemed to be a lot of flitting backwards and forwards that didn't accomplish much.

I Believe Robert Richards delivers exactly what I was hoping for in Please Don't Tell My Parents You Believe Her. The fourth book in Penny Justice Akk's story follows the girl with a dented heart of gold in her back pocket and a heart of steel in her chest as she journeys to find out if she has what it takes to be a real girl once again.

Please Don't Tell My Parents I've Got Henchmen by Richard ...
Please don't tell my parents. Embarrassment and shame can deter teenagers from contacting parents about drug and alcohol problems. I've written many times about the importance of letting your child know that you are happy to be part of a plan if something should ever go amiss when they are out. Every time they leave your house they need to hear you say “If you need me, I'll be there, anytime, anywhere – no questions asked!”.

The moment I started reading Please Don't Tell My Parents I'm a Super Villain I was TOTALLY drawn into the story. It was pure unadulterated super hero / super villain delicious, wonderful, wacky, AWESOME fun. I'm not much of an artist but I want to draw the characters pretty bad, and to see this book in a graphic novel format someday.

Please Don't Tell My Parents I'm a Supervillain Audiobook ...
Yet, Don't Tell My Parents You Believe Her is a satisfactory end to a wonderful adventure. For being a YA series, Don't Tell My Parents manages to evoke deep thoughts and engaging themes that can lead to some interesting introspection. The last book even more so. I'll admit I cried every time Brian reappeared on the page.
