medicine review book written especially for medical students in their clinical years. It is perfect for clerkships, sub-internships, shelf, and USMLE exams. Sized to fit in the pocket of a white coat for easy portability, this book offers an engaging and high-yield review of internal medicine.

Case Files Internal Medicine
Pocket medicine is a very concise and well structured quick reference. Whether you're about to see a patient in DKA and want a quick refresh or you're working up anemia and want to review the difference etiologies and work up, etc its great. I carried it with me all of 3rd and 4th year and all throughout my IM residency.
