### ~~An Introduction To Political Sociology - folt.pw~~

While both the macro- and micro-areas of political sociology overlap with political science, the distinctive focus of political sociologists is less on the internal workings or mechanics of the political system and more on the underlying social forces that shape the political system. Political sociology can trace its origins to the writings of Alexis de Tocqueville, Karl Marx, Emile Durkheim, and Max Weber, among others, but it only emerged as a separate subfield within sociology after World ...
