Review of Recovering the Lost Tools of Learning by Douglas Wilson. Most people in the classical Christian school movement look upon Dorothy Sayer's 1947 essay "The Lost Tools of Learning" as something of a founding document. However, the movement as it currently exists in North America stems from the implementation of that essay in the late 1980s, and is best represented in Douglas Wilson's Recovering the Lost Tools of Learning (Crossway, 1991).

THE LOST TOOLS OF LEARNING That I, whose experience of teaching is extremely limited, and whose life of recent years has been almost wholly out of touch with educational circles, should presume to discuss education is a matter, surely, that calls for no apology. It is a kind of behaviour to which the present climate of opinion is wholly favourable.

THE LOST TOOLS OF LEARNING

Review of Douglas Wilson, Recovering the Lost Tools of Learning. Certain books start movements. As in chemistry, the culture reaches a critical mass—a boiling point, as it were—and then, just at that moment, the right catalyst is added, to speed up the reaction and to bring about a change. Douglas Wilson's Recovering the Lost Tools of Learning operated as the catalyst for many Christians in the early 1990s, and the result was a renewal movement in classical education, institutionalized ...
