Relevance of mahatma gandhi in 21st century essay

Relevance of M. K. Gandhi's Ideal of Self-Sufficient Village Economy in the 21st Century. Economic Development of a country depends on the proper utilization of resources (both human and non-human). India, at the time of her independence, had an economy with a low level of economic and technological development, low per capital income, slow pace of development of economic and social institutions and outdated methods of production techniques.
