Jim Crow Laws. Throughout the United States, following the Civil War, state governments implemented a number of laws geared toward the segregation of whites and non-whites. Jim Crow Laws, perhaps the most extensive collection of racist government policies, were scattered throughout the country. The intent of these laws was to prevent not only the social mingling of races in public places such as trains, restrooms, or even drinking fountains, but also to prevent the physical and sexual mixing ...

States Laws On Race And Color Studies In The Legal History ...

In the United States, anti-miscegenation laws were laws passed by most states that prohibited interracial marriage and interracial sexual relations. Some such laws predate the establishment of the United States, some dating to the later 17th or early 18th century, a century or more after the complete racialization of slavery. Most states had repealed such laws by 1967, when the U.S. Supreme Court ruled in *Loving v. Virginia* that such laws were unconstitutional in the remaining 16 states. The ter
