From Infinite’s beginning as a sequel to 2007’s Bioshock, complete with mechanized Big Daddies to the entirely separate but thematically similar universe actually used in Bioshock Infinite. The book is principally an art book, which is great because the art is spectacular and beautifully reproduced on high quality paper. If you’ve come for the art you will not be disappointed. If you were hoping for an insider’s look into the development of Bioshock Infinite, you will leave a bit more empty ...
