Using flashcards in the Primary Classroom

Four hundred fifteen undergraduate students in an Introduction to Psychology course voluntarily reported their use of flashcards on three exams as well as answered other questions dealing with flashcard use (e.g., when did a student first use flashcards). Almost 70% of the class used flashcards to study for one or more exams.

The Use of Flashcards in an Introduction to Psychology ...

Use. Flashcards exercise the mental process of active recall: given a prompt (the question), one produces the answer Beyond the content of cards, which are collected in decks, there is the question of use – how does one use the cards, in particular, how frequently does one review (more finely, how does one schedule review) and how does one react to errors, either complete failures to recall ...

Flashcard - Wikipedia

Flashcards are sets of small, double-sided cards used to learn and revise details, keywords and vocabulary. They are useful for learning the relationship between two pieces of information You write a question or key term on the front and then the answer or definition on the back. 1. Flashcards are for testing not summarising

5 Tips for Powerful Flashcards and Better Exam Revision ...

Flash cards are a really handy resource to have and can be useful at every stage of the class. They are a great way to present, practise and recycle vocabulary and when students become familiar with the activities used in class, they can be given out to early-finishers to use in small groups.

Using flash cards with young learners | TeachingEnglish ...

Flash cards are very good at helping you drill relationships between two pieces of information – but that 's it. That makes them good for learning definitions, vocabulary words, etc – but it makes them a particularly bad study tool for information that fits into a larger visual or organizational hierarchy.

8 Better Ways to Make and Study Flash Cards

A fun and inventive way to use your flashcards is to play snap with them. Not only is it enjoyable for you, but it will also help you to remember knowledge for your exams. Flashcard snap works just like the original snap game. Two players, each with a set of matching cards, take it in turns to place down their cards, and say snap when they match.

15 Creative Ways To Use Flashcards (That Actually Work ...

Flashcards should rarely be applied as pure instruction. They should rather be used as a way to review concepts that were first acquired through more constructivist activities, or to fill in the gaps with more detailed information that may not have been acquired from such project-based experiences.

How to Use Flashcards the Right Way | Brainscape Blog

Some will say, "well that's why I use phrases on my flashcards," but believing in one-to-one phrases isn't much better than believing in one-to-one words, and it has the added drawback that learning a whole phrase leaves you incapable of forming your own ideas from individual words. Others will say, "well three is always three, and blue is ...

Why I Don't Use Flashcards (And You Shouldn't Either)

How to Review Using Flash Cards. Studying with index cards is one of the most well-known ways of mastering new information. However, there is more to it than simply writing a few words down on a piece of cardstock. To make your index cards...
