What Good are the Arts? by John Carey is a provocative, entertaining and devastatingly intelligent assessment of the values and problems of art.

What Good are the Arts?: Amazon.co.uk: Carey, Professor ...

"What Good Are the Arts? by John Carey (Oxford, \$18). A brilliant and important little book — by an Oxford English professor, no less — about taste, high culture, objective artistic worth, and the absurd arguments made to prop the whole teetering edifice up.

What Good Are the Arts? by John Carey

First, the arts can improve student learning in schools. We've seen studies of children and youth who participate consistently in the arts and who score higher on standardized tests than those who don't, are more likely to continue education after high school, read more, and watch television less.

What are the Arts Good For? | Grantmakers in the Arts

What Good are the Arts? Hailed as "exhilarating and suggestive" (Spectator), "thought-provoking and entertaining" (David Lodge, Sunday Times), and "incisive and inspirational" (Guardian), What Good are the Arts? offers a delightfully skeptical look at the nature of art. John Carey--one of Britain's most respected literary critics--here cuts through the cant surrounding the fine arts, debunking claims that the arts make us better people or that judgments about art are anything more than ...

What Good are the Arts? - John Carey - Google Books

For the past two decades, in Blair's Britain no less than in Thatcher's, the case has been made on economic grounds: the arts are good, and therefore merit state support, because they provide jobs...

A lesson with the art master | Books | The Guardian

What good are the arts? Here's one stab at an answer. They provide us with powerful pleasures. They expand our imaginative sense. They are windows into historical epochs and into realms of pure fancy and fantasy. They sharpen our intellectual discriminative powers and, for example in music, develop human technical capacities to the highest ...

Denis Dutton on John Carey's What Good Are the Arts?

The arts better prepare students to work in STEM-related fields. It's a well known fact that students who are exposed to the arts, in any of its many forms, tend to have higher test scores, tend to be better at creative problem-solving, communication and the ability to connect seemingly disparate things.

7 reasons why sponsoring the arts is good for business ...

The arts refers to the theory, human application and physical expression of creativity found in human cultures and societies through skills and imagination in order to produce objects, environments and experiences.Major constituents of the arts include visual arts (including architecture, ceramics, drawing, filmmaking, painting, photography, and sculpting), literary arts (including fiction ...

The arts - Wikipedia

The arts, modes of expression that use skill or imagination in the creation of aesthetic objects, environments, or experiences that can be shared with others. Traditional categories within the arts include literature (including poetry, drama, story, and so on), the visual arts (painting, drawing,

Language Arts: Level 1 : The Good and the Beautiful

Art is about recreating personal experience in an original way. In order to do that, you need to have experience doing something other than looking at a computer screen. Get out of the house and go see the world. A walk through nature, like a walk through woods or along the beach, is thought to increase creativity.

3 Ways to Be Good at Art - wikiHow

This week on Good Weekend Talks, journalist Brook Turner is joined by Sydney Morning Herald arts writer, Linda Morris, and Good Weekend editor Katrina Strickland, to discuss the arts – how the ...
